# PRESIDENT'S REPORT

On 18 January 2007 the group held its annual meeting. At that time I assumed leadership of the group, replacing our president of the past six years, namely **Bernd Kallenbach**. Bernd has led the group through some very interesting and exciting times, some examples of which include participation and membership in the *Gauverband*, obtaining Tracht, and creation and maintenance of a children's dance group. In all this and more Bernd has acquitted himself admirably, and we thank him for his outstanding dedication.

## SOUNDS GREAT!

We are pleased to have been able to upgrade the sound in our practice area, with the purchase of a set of four wall-mounted speakers along with amplifier and mixer. We have also made this system fully available to the German Club for use at all club functions as well as for the many bookings they have in the basement throughout the year. A big thanks to **Ole Berger** for his hard work in getting this accomplished!

I look forward to working with Bernd as past president, as well as with the other executive members

(VP Membership **Sylvia Kiel**, VP PR **Ole Berger**, 1st Treasurer **Annette Wagner**, 2nd Treasurer **Sylvia Unter-ieser**, 1st Vorplattler **Eric Seneka**, 2nd Vorplattler **Ronny Fritz** and Vormädel **Lisa Friedl**). I have big shoes to fill as the sixth president (after **Rudy Kirrmaier**, **George Lauf**, **George Ku-hse** and **Ronny Fritz**). I have some ideas that I hope will make the Bavarian Schuhplattlers even better!

## EVENTS IN 2006

While we are involved in many new and exciting activities, the MAIN thing we still do is, of course, perform! Here are lists of our Oktoberfest & other performances throughout 2006. We had a wide variety of opportunities to dance, from a brewery to a movie theatre, from a nightclub to a 50th Anniversary, from seniors homes to a BMW Gala! We also danced at the 2-day **GERMAN**

**DAYS** festival outdoors in downtown Edmonton in conjunction with the **WORLD CUP SOCCER** kickoff in Germany!

We also took time out for our own group to have fun, at the annual picnic & our Christmas Party.

# GAU REPORT

In May 2006 the biannual **Gau Delegates' Meeting** of the North American Gauverband was held in Cleveland, Ohio. At that meeting, our group was officially made a full member organization in the Gauverband, an organization with over 90 member

## TRACHT

Our quest to complete our Tracht continues! With the generous assistance of the Alberta umbrella organization **GCAA** (German Canadian Association of Alberta) and own home, the German Canadian Cultural Assoca-

ciation of Edmonton (**GCCA**), we now have four couples in full traditional Tracht, and more to come!

groups across North America! We made some very good connections there, and learned a great deal about Tracht and dance.

We look forward to the next **Gaufest in Hershey, Pennsylvania** from 21–24 June 2007! We will be well represented there, with at least 15 members attending.

types with folk dancing and a modern twist. We hope that it was another memorable night for all our friends & family members in attendance, a

sold-out crowd. Thanks to all our talented members, and a huge congratulations to **Sylvia Kiel**, who leads the planning each year for the event, and **Bernd Kallenbach**, who gave his

hand at writing the script this year.

Thanks to **Uwe Welz** & brother **Jürgen** for their usual help with lighting, photos & video.

# HEIMATABEND 2006

## HEIMATABEND: MY BIG FAT BAVARIAN WEDDING

was presented by the group on Saturday, 22 April 2006. The grand ballroom in the German-Canadian Cultural Centre was packed and the audience waited curious to see what the group had in store for them this year. The evening began with the first-rate tunes of Calgary dance band **PREMIUM AKKORD**.

After a couple of introductory dances, the story began, a take on the popular movie "My Big Fat Greek Wedding". Liesl is the child in a traditional Bavarian household, and is

single, having found no man suitable in the eyes of her "Papa". She meets a Canadian dance teacher, falls for him, and eventually convinces the family to accept a 'Non-Bavarian' into the family. In usual style the group mixes humorous German and Bavarian stereo-

# MAIFEST 2006

By Ole Berger

For the third time Schuhplattler groups from Western Canada & Seattle met for their biannual *Schuhplattler Workshop and Dance*. After Calgary ('03) and Vancouver ('04), it was now our turn to host the fest that is now being held in a non-Gaufest year. Groups were invited to

come on the May long weekend (19-21 May). The groups arrived on Friday evening into the German-Canadian Cultural Centre: Schuhplattler Verein Enzian Calgary; AVC Edelweiss Dancers Vancouver; Victoria Edelweiss Dancers; Enzian Schuhplattlers Se-

attle; and Edelweiss Schuhplattlers Winnipeg. In addition we had a representative from Chiemgau Windsor, **Jason Cousineau**, who is at the moment living and working in Edmonton. After the Edmonton Oilers won the hockey game, the meet-and-greet got fully underway!

Next day Saturday the groups met early for all-day dance workshops. First Edmonton taught the *Allgäuer*. The Enzian group then taught the folk dance *Nagel-*

*schmied*. After a short lunch break we continued with the *Gruppenplattler* for the evening, the *Vancouver Hiatauer*. In the afternoon we also showed a video, *The History of Schuhplatteln* (previously presented at the 2005 Buffalo Gaufest).

The evening event for the public started with a dinner buffet, followed by a march-in of all participating Vereine by Calgary dance band **Premium Akkord**. As host group we gave each participating Verein a banner to commemorate the *Fest*. The whole evening flew by, with *flotte Tanzmusik* and exceptional performances by each

group.

Next morning all participants met at **Rainer & Anne Hartl's** Bavarian-style **AI-pine Farm** for brunch with freshly baked bread & cakes, marking the end of the workshop & dance weekend. Over 70 Schuhplattler from 7 groups participated. Everybody had a great time. Winnipeg, present at this event for the first time, was so ex-

cited about the relaxed & family atmosphere that they agreed without hesitation to be at the next meeting. The Victoria Edelweiss Dancers

graciously announced their intention to host the next workshop in two years.

Thanks to the **German-Canadian Cultural Centre** for providing the facilities and good food, and to Siegfried Klotsche for donating the **Wanderpreis**, which will travel with us to be given to the host city Victoria in 2008!
